

## 2/10/16 7th Grade Math Curriculum Meeting

D. Burke, K. Shea, A. Marden, M. Bailey

### Old Business...

Wrapping up part of the “Expressions, Equations, Inequalities Unit” before the break.

### New Business...

#### **CURRENT UNIT OF STUDY: Expressions, Equations, Inequalities**

- Talked to M. Bailey about expected timeline for the remainder of the unit.
- Discussed how the roll out of Big Ideas Math is working out for the unit and how Michelle may be able to use it for remediation compared to Math In Focus.
- Discussed specific details of Common Core standards being addressed in the unit.

#### **SCOPE AND SEQUENCE**

- If we adopt Big Ideas Math it would be very easy to work with a new scope and sequence. Kim has already created a proposed document for the new text.

#### **PARCC TESTING**

- Are we able to access it on desktop computers? (no)
- Are we able to access it on Chromebooks? (possibly)

#### **STANDARDS BASED REPORT CARD IDEAS**

Next time...

Unit Post Test
