Hi Mrs. Shea,

Thank you so much - you are very kind!

She thinks she isn't good at math, but you and we know better!

Kind regards,

Hi there!

I just wanted to reach out & let you know that ~~Annie~~ got 100% on her Ch. 7 Math test!!! She works so hard, and is such a pleasure to have as a student. I think she was quite nervous in math at the beginning of the year, but she has totally come into her own. :)
