Hi there!

I hope you're feeling better! Today is the quiz. Why don't you go ahead & take it, and if your score isn't so hot then I'll work with you on corrections when you get back. No worries, no stress. :)

Hi, I can definitely take the quiz today, but I just want to make sure that if I don't do great since I haven't really learned the lesson yet, that I can retake the quiz.

thanks
